## **“MY QUEEN”**

**by Mountain Ghost**

**Haven't been back for eons now haven't seen tribe or family  
Don't know why but lost them somehow somewhere across the sea  
Every turn every glance always looking for a sign  
In every song and every dance till once again our lives entwine**

**It's a lonely road on the trip divine  
Such a long lean trail through the dream  
I'm a freer soul in this grand realm of mine  
But where would I be without  
My Queen ... My Queen**

**Love this sky love this land room to roam and time to grow  
Life is hard yet here I am keep getting stronger as I go  
Many thoughts come to mind of longing for and sailing home  
But as sweet solo insights align I sense I'll never be alone**

**(Chorus)**

**She stands for a trust in what I'm saying  
When fear attempts to tie my tongue  
She stands for a visioning and praying  
Of peace and happiness for everyone  
She stands for a promise of forever  
Within all there is to love today  
She stands for a world coming together  
Despite differing views and different ways**

**(Chorus)**

**My Queen ... My Queen**
